All this time  
All the struggles to beat  
A human nature  
That's still holding on to me

I'm made to run  
I was made to be free  
Still I'm broken  
In need of someone to rescue me

Sometimes I fall  
Sometimes I lose my way  
When I fall that's not where I'll stay

Sometimes I fall  
Sometimes I make mistakes  
I will fall when I fall  
I fall into grace

All that you've done  
If you're looking to me  
To be perfection  
This side of eternity

So hear me now  
Hear the words that I speak  
I'll see redemption  
But I'm not yet complete

Sometimes I fall  
Sometimes I lose my way  
When I fall that's not where I'll stay

Sometimes I fall  
Sometimes I make mistakes  
I will fall when I fall  
I fall into grace

I need a saviour I need a saviour  
I need a saviour

Sometimes I fall

Sometimes I lose my way  
When I fall that's not where I'll stay

Sometimes I fall  
Sometimes I make mistakes  
I will fall when I fall  
I fall into grace

I need a saviour I need a saviour  
I need a saviour
