Save yourself  
Cause no one is listening  
Save yourself  
Cause no one is listening  
Yet no one is listening

The looks straight from your face  
Are you okay? Can I heal your pain?  
Be a man and say  
That Mondays look or  
Kill the sting from your wounds  
So for recently  
Time will mend your heart

And no one is listening  
Yet no one is listening  
Yet no one is listening  
Yet no one is listening

Crawling, screaming out through twisted eyes  
Tortured minds that hate  
Bred to fight a war  
But Tuesdays we will  
Kill the sting from your wounds  
So for recently  
Time will mend your heart

And no one is listening  
Yet no one is listening  
Yet no one is listening  
Yet no one is listening

Cause no one is listening  
Cause no one is listening  
Yet no one  
Yet no one is listening  
Yet no one

Cause no one is listening  
Ya no one is listening  
Yet no one is listening
