She was made of porcelain,
With fake, green, glass eyes.
Sailed across the ocean
To be by my side.

And she lives in the city,
With the rest of her dolls.
And she claims we're up high,
But she cracks when she falls.

Maybe you're crazy,
Get your head screwed on right.
Said you danced and kissed Jesus
In the middle of the night.
That's a lie, your life's a lie.

And a picture reflects, in white colored lines.
She took what she wanted, she lost her mind.

Maybe you're crazy,
Get your head screwed on right.
Said you danced and kissed Jesus
In the middle of the night.
That's a lie, your life's a lie. Oh, your life's a lie.

Maybe you're crazy,
Get your head screwed on right.
Said you danced and kissed Jesus
In the middle of the night.
Well lady you're crazy. Oh, well lady you're crazy.
Oh, your life's a lie. Your life's a lie.
