Please don't talk  
My mind is out for a walk  
Just go on touching me

Feel your way  
Baby make my day  
Just go on touching me

Paradise sounds pretty nice  
But nothing could be better than this  
Nothing could be better than this

Hold me tight  
Honey you're getting it right  
Just keep on loving me

Don't be shy  
Your clever hands don't lie  
Please please keep on loving me

Istanbul sounds wonderful  
But nothing could be better than this  
Oh no nothing could be better than this

Mani mani  
Caserita no te acuestes a dormir,  
Sin comer un cucurucho de mani  
Mani  
Caserita no te acuestes a dormir,  
Sin comer un cucurucho de mani

Take your time  
Hard and slow is fine  
Lay your hands all over me

Make it last  
There's no need to go fast  
Just lay your hands on me

Hollywood sounds pretty good  
But nothing could be better than this  
Oh no baby nothing could be better than this

Your clever hands never lie  
Nothing could be better than this  
Don't stop now  
Nothing could be better than this
