Jack:

I feel like I'm waking up from a bad dream,
But as time goes by I realise I'm still in it.

Storyteller:

Jack gets up from the ground
The sun annoys his eyes
He remembers a strange sign
On the suits of the perpetrators

Jack: I see tiretracks from a big car
It must have been that black van
The firearms I saw
Are exclusively used by the swedish military

Storyteller:

So he calls his childhood friend

Swedish General Fredrik Ben

Jack:... did you write all down?
Please hear with your contacts around

Fredrik: I've heard rumours on the base
Something weird is taking place
I will lay low but I'll look around
Tell the cops what you've found

Storyteller: Jack finds a stingmark at the end of his
spine

Jack: I do not see what they would want from me, Am I
blind?

Am I BLIND?

When will I wake from this nightmare?
