You turn your love  
On and off, off and on  
You change your love  
Any time you want to

From day to day  
You keep me guessing  
Whether you're mine  
Ooh, baby

Sometimes I think you are  
Sometimes you show no sign  
Ooh, baby

You're like the weather  
And it blows my mind

Cause you turn your love  
On and off, off and on  
You change your love  
Any time you want to

Sometimes your love  
Burns like a fire  
Too hot to hold  
Ooh, baby

And sometimes you freeze up  
Like an iceberg that  
Chills my soul, ooh, baby  
You're like a faucet  
Running hold and cold

And turn your love  
On and off, off and on  
You change your love  
Any time you want to  
On and off, off and on  
You change your love  
Any time you want to

La da da...

Whoa, baby  
You're like a faucet  
Running hold and cold

And turn your love  
On and off, off and on  
You change your love  
Any time you want to

On and off, off and on  
You change your love  
Any time you want to

On and off, off and on  
You change your love  
Any time you want to...
