Leather skin
With a broken heart
Good seamen
Turned to piracy

Turned to the sea for opportunity
A good boy, men please forgive him
His sins, his sins
All he knows is not where he's been

Clear the decks, theres gonna be a shipwreck
Follow his heart back to the start
He's just a boy

Clear the decks, theres gonna be a shipwreck
Follow his heart back to the start
Tell the mistress he's just a boy

Broken men
With a leather heart
He turned to the sea for opportunity
A pirate's grin, overcoming him
His grin, his grin
All he knows is not where she's been

Clear the decks theres gonna be a shipwreck
Follow his heart back to the start
He's just a boy

Clear the decks theres gonna be a shipwreck
Follow his heart back to the start
Tell the mistress he's just a boy

Follow the map of his broken heart
Back to the start of his broken heart
Follow the map back to the start of his broken heart

Bury him at sea
He'll never return to me
Forgive him all his sins
He knows not where he's been

Bury him at sea
He'll never return to me
Forgive him all his sins
The mistress of the sea deceives him

Bury him at sea
He'll never return to me
Follow his heart back to the start
He's just a boy

Follow his heart back to the start
Clear the decks theres gonna be a shipwreck
Lost at sea
Oohhh

Follow her heart back to the start
Follow the start, back to the heart
Lost at sea
Oohhh

Clear the decks, theres gonna be a shipwreck
Bury him at sea
He'll never return to me

The mistress of the sea deceived him
Mistress of the sea deceived him
Mistress of the sea deceived him
