Feel me I'm sneaking around again  
Am I hanging around again  
Can't you see  
That my heart lies, my heart lies to you

I followed the waves to you  
I can not see it through  
My heart lies to you  
You'll never have me true

I lie  
I lie

Please don't  
Please don't make a mess  
An see me  
See me slip again

Break my heart  
Your cards are fake  
You seal the deal  
My heart lies, my heart lies to you  
My heart lies, my heart lies to you

I followed the waves to you  
I can not see it through  
My heart lies to you  
You'll never have me true

I followed the waves to you  
Can't you see it through  
My heart lies to you  
I'll never stay with you

You might find the size in my burning eyes

My heart burns wildly in his eyes  
He's just a drunken gangway men  
Dealing with the hands of desire spend

You might find the size in my burning eyes  
My heart burns wildly in his eyes

He's just a drunken gangway men  
Dealing with the hands of desire spend

I'm gonna shuffle his deck clean  
I'm gonna shuffle his deck clean

Hey  
Hey

I followed the waves to you  
I can not see it through  
My heart lies to you  
You'll never have me true

You might find the size in my burning eyes  
My heart burns wildly in his eyes  
He's just a drunken gangway men  
Dealing with the hands of desire spend

I'm gonna shuffle his deck clean  
I'm gonna shuffle his deck clean
