Gonna let the lightning
Tuck me into my bed
Gonna let that man
Let him into my head
I'll see you in my dreams
Electrified and cherry red

And I'll, meet you on the corner
Under true blue skies
Seeking cherry colo
As the bridging wine
To bring you to my lips, one more time

Kissing on the corner
I know it's a dream,
It's better than day time,
Cause dream time lasts forever
Swarming on the corner,
Bringing rain, dream time is over
'Til lightning strikes again

And I'll, meet you on the corner
Under true blue skies
Seeking cherry cola
As the bridging wine
To bring you to my lips, one more time

The sun has crept in,
Away with the night
Good-bye to my lover
I'm back in bed
But lightning is my girl,
And promises me
To bring me to that corner, again and again

And I'll, meet you on the corner
Under true blue skies
Seeking cherry cola
As the bridging wine
To bring you to my lips, one more time

There was a little girl

Who had a little curl
Right in the middle of her forehead
