Proof...

Truth...

Oooh (x2)

Suspect and projected

I have wounded

Truth be told, I've been bad

Ashamed to blame

horrified and over me I listened, I listened

I listened my love

Mister, punish me

I love thee

I'm guilty, I'm guilty, I'm guilty my love

Chorus

Meet me on the darkside

enter from the inside

meet me on the darkside

enter from the inside

he left me overseas

I turn to a mouth I could please

everyone has a dark side

why don't you like mine

Shame...

Blame...

Sentence to life

Imprisoned by fate

Shame blame, here's the shame game

but I will love again

Chorus

Cross my heart, it's par for

the course of love

of love

It was locality morality dictating prison trap

I was following, grazing, wasting, accepting in my

good girl suit

i was lying and cheating, sucking and kissing in my
bad girl boots

Do you swear to tell the truth?
And nothing but?
Noâ€¦

I will love again
with my good, and my bad parts

Chorus

Meet me on the darkside
enter from the inside
(repeat)
