Ahha x9

If you're listening Come in
If there's a Fire, I need a desire
Are you Willing & able to set the stakes higher
this time pass it on, come sit by my fire

Ahhha Ahhha
Come sit by my Fire (ahhha)
Ahha ahhha
come sit by my fire (ahhha)
ahha ahha

travel out of our minds
& into our hearts, standing by
travel out of our minds
& into our hearts,
our hearts been standing by so long

Yes you're listening, You're a dreamer
so come in
'cos we have the tiny scales to swim

travel out of our minds
& into our hearts, standing by
travel out of our minds
& into our heart,
our hearts been standing by for so long
so long

where has the love gone in our behavior
where has the light in those faces
where has the love gone in our behavior
where has the light in those faces

Ahha x11

if you're listening, You're a dreamer
Come sit by my fire

if you're listening, You're a dreamer

Come sit by my fire

travel out of our minds
& into our hearts,
our hearts been standing by
travel out of our minds
& into our hearts,
our hearts been standing by for so long
so long
