Ahha x9

If you're listening, come in
If there's a fire, a need, a desire
Are you willing and able to set the stakes higher?
This time pass it on, come sit by my fire

Ahhha Ahhha
Come sit by my fire (ahhha)
Ahha ahhha
Come sit by my fire (ahhha)
Ahha ahha

Travel Out Of Our Minds
And into our hearts, standing by
Travel Out Of Our Minds
And into our hearts,
Our hearts been standing by so long

Yes you're listening,
You're a dreamer, so come in
'cos we have the tiny scales to swim

Travel Out Of Our Minds
And into our hearts, standing by
Travel Out Of Our Minds
And into our hearts,
Our hearts been standing by so long
So long

Where has the love gone in our behavior?
Where has the light gone in those faces?
Where has the love gone in our behavior?
Where has the light gone in those faces?

Ahha x11

If you're listening, you're a dreamer
Come sit by my fire x2

Travel Out Of Our Minds

And into our hearts,
Our hearts been standing by
Travel Out Of Our Minds
And into our hearts,
Our hearts been standing by for so long
So long
