Oh my love, oh my love  
I can't hear you my love  
Tell me where have you gone?

Oh my love, oh my love  
I can't taste you my love,  
Tell me what have I done?

Plug it in, so I can digest you  
I will taste you

Far away, far away  
I can't feel you today  
I need healing my love

Appetite running fast  
Following my gut  
Turning up every rock

You're disappearing my love,  
I need louder than this  
Please fill me up

Good tidings I bring  
To you and your sins  
I'll forgive

Come to me  
Plug it in, so I can digest you  
I will taste you (Ooh ooh)  
My appetite in that hole  
Tempt you with it now  
I will taste you (Ooh ooh)

Please shake me and tug,  
I need shaking my love  
Can't you be the one?

I can't fake it my love,  
I need filling come on,  
I need it louder than bombs

Come to me  
Plug it in, so I can digest you  
I will taste you (Ooh ooh)  
My appetite in that hole  
Tempt you with it now  
I will taste you (Ooh ooh)

Feel that movement my love?  
Pulling up from above  
Are you listening love?

My emptiness in a way,  
Is tempting,  
Guiding you from my gut  
{I will taste you, I've got a big mouth, }

Oh my love, oh my love  
I can't hear you my love  
Tell me where have you gone?

Far away, far away  
I can't feel you today  
I need healing my love
