"The Key"

Everyone knows it
We all can feel it
There's one person out there
That leads you to freedom
It's time to find the key that leads you to me

Do you know?
Do you know?
Do you know what I've found?

Do you want?
Do you want?
Do you want to share it?

The way
The way
The way to use it

Everyone knows it
We all can feel it
There's one person out there
That leads you to freedom
And it's time to find the key that leads you to me
Your destiny

The Key
The key
The key it finds you

Be sure
Be sure
Be sure to use it

It twists
It turns
It burns
It bruises

hey hey heyaa
hey hey heyaa

Everyone knows it
We all can feel it
There's one person out there
That leads you to freedom
And it's time to find the key that leads you to me

Everyone knows it
We all can feel it
There's one person out there
That leads you to freedom
And it's time to find the key that leads you to me
Your destiny

Everyone knows it
We all can feel it
There's one person out there
That leads you to freedom
