[Chorus:]

Towelhead, towelhead. Towelhead, you fucking
towelhead (x4)

You fucking towelhead

You wear a towel on your head, you fucking towelhead

I hate women, you do too

But you have a mustache, you fucking towelhead

[Chorus]

It's cool they beat up women when they show their head

It's cool they beat up women when they show their face

Those cunts have to cover their fucking ankle

You think you're cool 'cause you ride a camel

[Chorus]
