First you fucked a nigger you ugly fucking whore
Ran out of men in canada and came here for more
You could shower all your life and you'd never get
clean
Because you fucked someone that wore afro-sheen

[chorus:]

I hope you get deported, you make me sick, i hope you
get deported, you sucked a
Nigger's dick

You've got no life and you talk to your pets
I hate you so much i wan't to call the i.n.s.
You work at a snack bar and your father pays your rent
Over the border's where i hope you get sent

[chorus]
