I saw you buying a pearl jam record, and i noticed that  
you're gay  
I saw you hanging around in allston, and i noticed that  
you're gay  
I saw you riding around on your rollerblades, and i  
noticed that you're gay  
I saw you getting your tongue pierced, and i noticed  
that you're gay  
I heard you spend all day on the internet, and i noticed  
that you're gay  
I saw you drinking a frappucino, and i noticed that  
you're gay  
I saw you wearing a fucking tree shirt, and i noticed that  
you're gay  
You've got a tribal tattoo, and i noticed that you're gay
