You're only useful when you're sucking my dick
The mere sight of you makes me fucking sick
You're a stupid groupie following me from state to
state
Like I said before you're only good to give me a blow

[Chorus:]
I'm gonna give you A.I.D.S. [x8]

[Post Chorus:]
I'm so glad, I'm so glad, I'm so glad, I've got fucking
A.I.D.S. [x2]

I'll let you let me fuck you in your fucking ass
I'll give you A.I.D.S. while I shove it in your ass
I'll fuck you over and over again in the ass
And then I'll fuck you in your fucking ass

[Chorus]
[Post Chorus]

I'll give you A.I.D.S., I'll let you swallow my cum
Because I'm a total fucking scum
I'm a loser and I've got no class
So I'm gonna fuck you in your fucking ass
