This stupid slut brought me home last night
I robbed her after I got laid
I stole her stereo, it's the loudest ever made
I crank it up to ten all night, I'm much sicker than you
I'm crankin' Anal Cunt, Buckcherry, and M?tley Cr?e

[Pre chorus:]

Are you ready, are you ready, are you ready to rock?
I've got the loudest stereo on the block

[Chorus:]

Loudest stereo on the block [x2]

My stereo's so fucking loud the old people moved away
All the sluts moved into town and they're here to stay
All day long, I've got sluts riding on my cock
I love metal, I love pussy, I fucking love to rock

[Pre chorus]

[Chorus]

I've got porn stars and junior high girls hanging out
My game of black jack's a nine and twelve year old
putting out
I don't wanna waste my time with stupid fucking cock
teases
All they'll get from me are a bunch of diseases

[Pre chorus]

[Chorus]
