You just broke up with Jaime from Hatebreed  
Even Chris Barnes won't blow you again  
You heard all kikes have to get circumcized  
You fantasized about some rabbi grabbing your dick

No one would touch you, now you're a jew  
You fucking hebe, now you're a kike

After you got circumcized  
Guys still wouldn't touch you  
It's bad enough you were a fag before  
Now you're a gay faggot jew

No one would touch you, now you're a jew  
You fucking hebe, now you're a kike
