You live in a houseboat
You're so poor it barely floats
You live in a houseboat
You're white trash you're fucking broke
You live in a houseboat
Trailer park thinks you're a joke
You live in a houseboat
You're a dumb stupid fag
You live in a houseboat
Your dog wears a bandana
You live in a houseboat
You have no teeth
You live in a houseboat
You have tattoos of an anchor
You live in a houseboat
Your house has a leak
You live in a houseboat
