Rape!

Rape!

Rape!

Rape!

I drank a case of whiskey  
And you looked like Jeanine Jizm  
I drank another case of whiskey  
And you looked like Roseanne Barr

You were to ugly to rape, so I beat you up  
When I looked at you, I had to throw up

I drank a case of whiskey  
And you looked like Sheila Micheals  
I drank another case of everclear  
And you looked like Ileana Douglas

You were to ugly to rape, so I beat you up  
When I looked at you, I had to throw up
