You're fucking annoying and your band fucking sucks  
Your boyfriend's an idiot and you're a fucking cunt  
You think you're so important an wan't everyone to suck  
up  
I hope you o.d. and die real soon 'cause you're a  
fucking cunt  
15 year kids don't care about animal's and women's  
rights  
But you force it down thier throats, 'cause you're a  
fucking cunt  
Your writing's about as interesting as allen funt's  
I hope you die, 'cause you're a fucking cunt

You're,a,fucking,cunt

[repeat first 4 lines]

You're a fucking cunt [x4]
