No one cares what you say, no one gives a shit about
norway

No one can stand the way you talk, except your
girlfriend, the greasy wop

[1st chorus:]

Everyone mistakes you for a jew
Your best friend is you [x2]

*You have hook nose like a fucking jew
Your best friend is you [x2]*

*No one cares about what you wrote, you're nothing but a
spic, a 5 foot joke*

*Every show you book is a fucking flop, you're a fucking
midget and your broad's a wop*

[2nd chorus:]

*No one cares what your last show drew
Your best friend is you [x2]*

*You're about as tall as tattoo
Your best friend is you [x2]*

*Your favorite letter's f
Flunk-you flunked out of school
Flop-every show that you do
Fail-every class that you take
Friends-not one you can make*
