HERMES

How to get to Hadestown  
You'll have to take the long way down  
Through the underground, under cover of night  
Laying low, staying out of sight  
Ain't no compass, brother, there ain't no map  
Just a telephone wire and the railroad track  
Keep on walking and you don't look back  
'Til you get to the bottomland

ORPHEUS

Wait for me, I'm coming  
Wait, I'm coming with you  
Wait for me, I'm coming too  
I'm coming to

HERMES

River Styx is high and wide  
Cinderbricks and razorwire  
Walls of iron and concrete  
Hound dogs howling round the gate  
Them dogs'll lay down and play dead  
If you got the bones, if you got the bread  
But if all you got is your own two legs  
You best be glad you got 'em

ORPHEUS

Wait for me, I'm coming  
Wait, I'm coming with you  
Wait for me, I'm coming too  
I'm coming to

HERMES

You're on the lam, you're on the run  
Don't give your name, you don't have one  
And don't look no one in the eye  
That town will try to suck you dry  
They'll suck your brain, They'll suck your breath  
They'll pluck the heart right out your chest  
They'll truss you up in your Sunday best  
And stuff your mouth with cotton

ORPHEUS

Wait for me, I'm coming  
Wait, I'm coming with you  
Wait for me, I'm coming too  
I'm coming

Wait, wait, wait, wait
