You fucking towelhead
You wear a towel on your head, you fucking towelhead
I hate women, you do too
But you have a mustache, you fucking towelhead

Towelhead, towelhead. Towelhead, you fucking
towelhead
Towelhead, towelhead. Towelhead, you fucking
towelhead
Towelhead, towelhead. Towelhead, you fucking
towelhead
Towelhead, towelhead. Towelhead, you fucking
towelhead

It's cool they beat up women when they show their head
It's cool they beat up women when they show their face
Those cunts have to cover their fucking ankle
You think you're cool cuz' you ride a camel

Towelhead, towelhead. Towelhead, you fucking
towelhead
Towelhead, towelhead. Towelhead, you fucking
towelhead
Towelhead, towelhead. Towelhead, you fucking
towelhead
Towelhead, towelhead. Towelhead, you fucking
towelhead
