Help! This is Mother Earth!  
Somebody please help me!

The corporations don't even care  
While the rain forests go bare  
Oil spills & tanker wrecks  
Don't show the sea creatures any respect

The park turned into a parking lot  
The woods turned into a shopping mall  
The swimming hole turned into a sewer dump  
Isn't there anyone who cares at all?

Greed, greed, greed, greed, greed  
Greed is something that we don't need

You stand by and watch the corporate rape  
But not me, I made this tape  
After 12 years of Bush & Reagan  
We've become an insensitive nation

The park turned into a parking lot

The woods turned into a shopping mall  
The swimming hole turned into a sewer dump  
Isn't there anyone who cares at all?

Greed, greed, greed, greed, greed  
Greed is something that we don't need

Corporate greed, rape and crime  
The laws are stepped on all the time  
Polluting the water, they don't even think  
But their money won't help when there's none left to  
drink

The park turned into a parking lot  
The woods turned into a shopping mall  
The swimming hole turned into a sewer dump  
Isn't there anyone who cares at all?

Greed, greed, greed, greed, greed

Greed is something that we don't need
