You just came from a Bikini Kill concert  
You felt like a strong independant woman  
Two guys were having a "rape the ugliest chick  
possible" contest  
You weren't a strong woman anymore

I'm glad you got raped  
You stupid dyke cunt  
I'm glad you got raped  
Cuz you're a stupid dyke cunt

I laughed as I watched him rape you  
Then i bought him a few beers  
Every year on the anniversary of your rape  
I send him a thank you card  
You stupid fucking dyke cunt
