You're fucking annoying and your band fucking sucks
Your boyfriend's an idiot and you're a fucking cunt
You think you're so important an wan't everyone to suck
up
I hope you o.d. and die real soon 'cause you're a
fucking cunt
15 year kids don't care about animal's and women's
rights
But you force it down thier throats,'cause you're a
fucking cunt
Your writing's about as interesting as allen funt's
I hope you die,'cause you're a fucking cunt

You're,a,fucking,cunt

[repeat first 4 lines]

You're a fucking cunt [x4]
