You've got a new t pass, just for retards  
You've got sagging breasts that are very large  
All over your wrinkled body, you've got lots of pimples  
And you've got a greasy hair coming out of your nipple

Hey, you're dumb [x3]

*You live with your parents, and your 31  
You pay no rent, because you're a bum  
You never clean your house, because you're depressed  
And you've still got a goddamn hairy breast*

Hey, you're dumb [x3]

*You're going to san fransisco because you're gay  
Your boyfriend must be really desperate to get laid  
We'll always make fun of you, we'll never rest  
And you still got a goddamn hairy breast*
