Empty walls
Dead city
Left cars
Reactor of dead

There is no hope
There is no life
What is the sense of these place

Dead bitches with gold teeth
Cows with three heads
Nuclear cloud
Fuckin' onion juice

Chernobyl hydrogenic bomb
Chernobyl hydrogenic tomb
Radioactive piece of shit
Suicide the Russians Hiroshima
Red spot of Gorbachev head

There is no hope
There is no life
What is the sense of these place

Empty walls
Dead city
Left cars
Reactor of dead
