I look for more cold bodies
Of rotten sinners
For your filthy reign
Of lewdness and sex
You won't escape
From your sepulchral rite
There you will putrify
The pleasure is infernal

Apostles of hell
To get to the Goddess
Nynph of the perdition
You won't escape
From your sepulchral rite
There you will putrify
The pleasure is infernal

Avern's Goddess
Nynph of the perdition
Avern's Goddess
Nynph of the perdition
Avern's Goddess
Nynph of the perdition
