"Escaping"

There're conflicts in your mind
Don't know the reason why
Just one more of that
More, more, more
More, more, more!!!
Walking on the streets
Searching for new emotions

(Chorus)

Escaping, escaping
Escaping, escaping

Going out for a meeting
And can't find
New sensations
Escaping...
You are dreaming
You are traveling
You are flying
You are dreaming
You are flying
You are dreaming
You are flying
And escaping from reality!

Filthy Solo: Evil Noizer

And escaping from reality (X4)

Steal
Kill
And you never calm
Your anguish
And you never calm
Your anguish
And you never calm
Your anguish
Your anguish
Your anguish!!!
