You are cold, without soul  
Sweat, scream, cry and bleed...  
You are cold, without soul  
Sweat, scream, cry and bleed...

[Chorus:]  
Kingdom of the Cruelty  
Kingdom of the Cruelty  
Kingdom of the Cruelty  
Kingdom of the Cruelty!

Come and enter my room  
Where the beast reigns  
I was created in sin  
And for sin I own...

Kingdom of the sin  
Kingdom of the feast...  
Kingdom of the sin  
Kingdom of the feast...

Hymn to the filth  
Hymn to the filth... fuck you!

Kingdom of the sin  
Kingdom of the feast...  
Kingdom of the sin  
Kingdom of the feast...

Night of Damnation!

Sex and blood  
Sex and blood  
Sex and blood... adoration!

Sex and blood  
Sex and blood  
Sex and blood... worship!
