It is done the return of the followers of Polokay  
Beginning the search for virgins and bitches  
For the temple of Klatu Varada Fixto  
And please the sleeping god...

Chorus:  
Temptation and pleasure  
Cult to flesh... [3X]

Pleasure!

They give their lifes to the bizarre might  
Waking sexual madness and excitement  
Where degeneration is given  
By the procreator of insanity... insanity!

Infinity pain - triumph of death  
Infinity pain - triumph of death  
Infinity pain - triumph of death  
Infinity pain - triumph of death!

Immortal sentence  
Earthly corruption  
Sacrifice of humans  
On the infernal altar...

We were procreated for vices and pleasure  
Executing the prophecy of the not holy...  
We were spawned for vices and pleasure  
And will be this way till reencarnation... !

Chorus:  
Temptation and pleasure... arrgghhtt!  
Temptation and pleasure... arrgghhtt!  
Temptation and pleasure... arrgghhtt!  
Temptation and pleasure... arrgghhtt!

[Morbid solo: Noizer]

PLEASURE!
