They thought to be machines of a god.
Killing, tormenting and nailing to crosses.
Brutality, inhuman violence and hate
Their way to teach christianity -
Christianity?

Blood dripped of their armors,
Heads they pierced on wooden pales.
"Thou shall not kill!",
Was a commandment the heathen should obey.

With a cross on their robe,
The sword in their hand,
They tried to convert the "heathen".
Seven crusades in the name of god,
Massacres - to teach them lies.

Hate against all godless creatures - hate
The church of death -
Manipulating human behaviour.
The church of lies -
Sacrificing living beings.
Church of the sick -
Mentally deranged.
Church of the blind -
Crowd of weird fanatics,
Animals as "godmachines"!

They thought to be machines of a god.
Killing, tormenting and nailing to crosses.
Brutality, inhuman violence and hate
Their way to teach christianity.

Ignorance of dogmas .
Just like animals,
These "godmachines"!
