So,  
Truthfully speaking your adorable,  
But it's a shame you hate me,  
Because in my eyes,  
I see us being quite happy,  
Shame that you hate me,

Now,  
I know you would never admit it,  
I don't blame you,  
I wouldn't want the pressure with my friends either,  
Though a singing bird told me,  
That you wanted to kiss me,  
So what are you waiting for?

[Scream]

It's a hard smack in the face addiction,  
It's like your touch is so tempting,  
But from what I hear,  
You can slice off my head,  
With a simple smile,  
And a heart filled laugh,  
Whoa! Why do you hate me so?

[Morph Singing & Screaming]

What am I meant to do?  
(when I want to love you)  
But you hate the way I smile  
(you hate the way I dress)  
And you hate how I laugh  
(You can't stand me)  
You can't handle me,  
(Your everything to me)  
And I'm sorry that I love you so,  
(From the pain and hate)  
I know you love me too  
(Please admit it soon)  
I can't wait forever.
