You're Suddenly Gone,
And Even Though You Stand Right There,
I still can't make myself reach out to hold you,
You'd Reject Me

I was Two Steps to Close,
When you caught me staring,
I tried my hardest to explain,
But nothing worked out the same,

Please Make Our Mistake Twice,
I don't care if your heart isn't in it,
I just want to feel you there,
I just want you to pretend that you still care,

You're amazing standards,
Make me realise I'm all the flaws,
I try to correct them but I can't get you back,
You'd Reject me anyway,

I was one step away from you,
And I felt the silence grow,
But I needed to tell you, I needed to remind you,
That I still love you,

Whoa, Oh, And I Still Love You

Please Make Our Mistake Twice,
I don't care if your heart isn't in it,
I just want to feel you there,
I just want you to pretend that you still care,

Please Make Our Mistake Twice,
I don't care if your heart isn't in it,
I just want to feel you there,
I just want you to pretend that you still care,
