Oh,

When we wake in the dark,
We see shadowed Faces,
And we make believe everythings alright,
But Your touch woke me,
Away from this place you should

[Screams]

Remember,
The forced Smiles,
Not Like Those,
Shown By You,

Sometimes,
Those Words I Heard,
Make me Loose,
The Will That I Once Had,

Fake The Kindness,
From The Lips That Speak,
You have No Purpose (You should know!)
Atleast I'm Real,

[End Screaming]

Whoa, Whoa!

I can barely breath,
When your staring at my heart,
Oh, And When you seem to be Happy,
I know that your Lying,
Oh, Oh, Oh...

[Scream]

High ubove,
There's no way out now,
Your inside my lungs,
Inhaled like a drug,

Remember,
How We used to be,
(Please Hold me close)
And never let me go,
(Please promise to)
Always want me,
(You know that words can't be forgotten)
FORGOTTEN.

[Scream part 2x and End of song]
