You are so blind,  
When you think you are proved  
Against anything bad,  
'cause your belief is so strong.  
Where' s your saviour  
For all incurable who fell sick ?  
Where' s this damned god,  
To which they all daily pray ?

Where' s this damned god ?

Day by day,  
You' re searching for an excuse.  
Day by day,  
Questions attack your godfearing soul:  
"Is there a saviour ?  
Is there something above all?  
Is it existing -  
This realm of immortal love ?"

The weird ways of existance -  
Are driving you mad !

The weird wys of existance -  
Are piercing your soul !

"When I am dead am I in heaven,  
Or am I in hell ?  
Or is there nothing at all,  
Who is able to tell ?  
The coffin, worms inside our flesh -  
Is that our destination ?  
The rotten corpse inside a grave  
Led me to a hesitation !"

You are so blind,  
When you think you are proved  
Against anything bad,  
'cause your belief is so strong.  
Where' s your saviour  
For all incurable who fell sick ?  
Where' s this damned god,

To which they all daily pray ?
