(Anastasia)

We were strangers,
Starting out on a journey
Never dreaming
What we'd have to go through
Now here we are,
And I'm suddenly standing,
At the beginning with you

(Dimitri)

No one told me
I was going to find you,
Unexpected
What you did to my heart,
(BOTH) When I lost hope
You were there to remind me
This is the start

(Chorus)

And life is a road
And I wanna to keep going
Love is a river
I wanna keep flowing
Life is a road
Now and forever
Wonderful journey

I'll be there when the world stops turning
I'll be there when the storm is through
In the end I wanna be standing
At the beginning with you

(Anastasia)

We were strangers
On a crazy adventure

(Dimitri)

Never dreaming
How our dreams would come true
(Both) Now here we stand unafraid of the future
At the beginning with you

(Chorus)

(Both)

I knew there was somebody somewhere
That made love in the dark
Now I know my dream will live on
I've been waiting so long
Nothings gonna tear us apart

(Chorus)

Life is a road and I wanna keep going
Love is a river I wanna keep going on
(Anastasia)

Starting out on a journey

(Both)

Life is a road and I wanna keep going
Love is a river I wanna keep flowing
In the end I wanna be standing
At the beginning with you.
