You baptise my soul  
Want the world to know  
Yes you do  
You baptise my soul  
Gotta let it show  
Take me to the river and deliver me  
Ooooooh ooh

I just wanna celebrate another day with you  
We were meant to be together, don't you know it's  
true?  
From the very start, you captured my heart  
Sometimes I wonder what I did before we came along  
Until you came around and sang such a pretty song  
Like a butterfly, opened up and changed my life  
Giving in to you is something that I can't dent  
Ooooooh

You (you) baptise my soul  
Want the world to know  
You manifest the 'D' in destiny  
(Yes you do)  
I said you (you) baptise my soul  
Gotta let it show  
Take me to the river and deliver me  
Just take this empty heart, make it whole  
You baptise my soul

Just the sound of your voice brings out the romance in  
me  
The slightest touch of your hand plays me like a  
symphony  
Love'll take us far, like a shooting star  
We don't pay no mind to all the things that people say  
The only thing that matters is the love we've got today  
It's a miracle, we've invisible  
I just wanna spend my whole life living in your world  
Ooooooh

You (you) baptise my soul  
Want the world to know

You manifest the 'D' in destiny  
(Yes you do)  
I said you (you) baptise my soul  
Gotta let it show  
Take me to the river and deliver me  
Take this empty heart, make it whole  
You baptise my soul

You (you) baptise my soul  
Want the world to know  
You manifest the 'D' in destiny  
(Yes you do)  
I said you (you) baptise my soul  
Gotta let it show  
Take me to the river and deliver me  
And take this empty heart, make it whole  
You baptise my soul

I don't care what people say  
What we got is here to stay  
Doesn't matter what we do  
As long as I am here with you  
If you wonder what I mean  
It's more simple than it seems  
Together we were meant to be  
Forever it is you and me

Like a butterfly  
Opened up my life  
Giving it to you is something  
That I can't deny

You (you) baptise my soul  
Want the world to know  
You manifest the 'D' in destiny  
(Yes you do)  
I said you (you) baptise my soul  
Gotta let it show  
Take me to the river and deliver me  
Just take this empty heart, make it whole  
You baptise my soul

You baptise my soul  
I want the world to know
