We are on fire,  
Burning for our lovers,  
Of The Night (of the night)

Time Ticks Slowly,  
But you keep holding on,  
Cos there's no-one there,  
Cos there's nothing there,  
Heart Keeps Stalling,  
But you keep taking breaths,  
Cos someone's waiting,  
Cos Her loves waiting,

And I,  
I wanted you to know,  
That with or without you,  
There's something I could never do,  
And I,  
I wanted you to see,  
That there's a fighting,  
Soul in me,

Oh,  
We are on fire,

Burning for our lovers,  
Of The night (of the night, of the night)  
And we,  
Won't give up trying,  
Because we know there's more to see,  
And,  
You are my desire,  
Baby you're the future,  
I can see (I can see, oh I can see)  
And I,  
Wont give up trying,  
Because I know,  
You're the one for me

So hold my hand now,  
And don't fade away,  
Cos there's a sensation there,

You give me this love,  
That no one has given me,

Please Hold Onto Me

-chorus-
