FUCK,

You never know when to stop,
I curse this taste on my tongue,
When can we smile again?
The time when happiness was there,
It mother fucking died,
Your heart was drawn on my sleeve,

Im Sealed by hatred,
You forced me to be what you wanted,
I want to drown you in your sick,
Your like a strain on my spine,
I can't carry this...

So Rip, Your heart out your chest,
And hold your hand at the level of your eye,
I wish that i could go back, Replace you with him,
I cannot do this, I'll be the one dragging You home.

Can you say my life is complete?
I can't even breath in love,
Instead i fall to my knees whenever you speak,
How can you fake your smiles to me?
I can't bare to touch your flesh,
Let it crawl,

OH SHIT,

And i forget that you hurt me,
All those times you cheated me,

I want to hold you and tell you,
These Smiles lie to me,
Those bright lights try to murder me,

I'm Stuck In your grip.

So Rip, Your heart out your chest,
And hold your hand at the level of your eye,
I wish that i could go back, Replace you with him,
I cannot do this, I'll be the one dragging You home.

I'm stuck, Im Lost, I need help (hahahaha!)

So Rip, Your heart out your chest,
And hold your hand at the level of your eye,
I wish that i could go back, Replace you with him,
I cannot do this, I'll be the one dragging You home.
So Rip, Your heart out your chest,
And hold your hand at the level of your eye,
I wish that i could go back, Replace you with him,
I cannot do this, I'll be the one dragging You home.
So Rip Your Heart Out!
So Rip Your Heart Out!
I'll Be the one Dragging You... HOME!
