Who are they anyway  
With their sticks and stones  
Don't they know that we know?  
There's a chill within their bones  
They blame and they mame  
Make us feel so cold inside  
But they cannot take us there cause we will fight  
I think the world's gone crazy  
I think the world's gone crazy  
I think the world's gone crazy  
I think the world's gone crazy  
[Chorus:]  
Who wants a love without anger and rage?  
I do  
Who wants a world where a kid can be safe?  
I do  
Who wants to pray for the end of the pain  
For the calm at the end of the day  
Where there's not always more of the same  
I do  
Wanna breathe  
Wanna move  
Wanna move and not ever feel afraid  
Wanna live in a place  
Where the truth still finds a way  
To rise and advise  
And when everything is lies you break  
Cause there's nowhere you can run and still feel safe  
I think the world's gone crazy  
I think the world's gone crazy  
I think the world's gone crazy  
I think the world's gone crazy  
[Chorus]  
I won't be a part of something so obscene  
I think I'm falling  
But I won't be falling  
[Repeat chorus]
