Beleive Me that This Isn't easy,
Hold your breath as you dance with fire,
These Lyrics hold some secrets,

(Spoken: and if you get them..)

I was the first one to see,
You were the first to scream,
The Stage was like a Ballet,
A Terrible love Scene tearing from the seems,

Close your eyes,
Twirl a little faster,
She was never the best dancer,
She fought with him under covers,
He treated her worse than his mother,
Hold her tighter,
Lose of Breath is Invevitable,

Lyrics and Stage Tricks,
She couldn't slit another vein,
She never had the guts,
He was always the villian,
He knew how to make her vanish,
I was the one writing her song,
When she turnt her dance into passion,
This is another story of Murder,

Lyrics and Stage Tricks,

He was the one that worked behind the scene's,
He had the girl on the tips of her toes,
The violation was there,
Her head wasn't Clear To his violence,
Her Love for him wasn't enough,

When they had enough,
The scars and drugs placed around them,
As they lay in their crumpled state,
The Murder Was Invevitable,
She had no clue,
He was ready to you,

Lyrics and Stage Tricks,
She couldn't slit another vein,
She never had the guts,
He was always the villian,
He knew how to make her vanish,
I was the one writing her song,
When she turnt her dance into assion,
This is another story of Murder,
Lyrics and Stage Tricks,

[Repeat 2x and Fade Out]
