Oh,

When we wake in the dark,  
We see shadowed Faces,  
And we make beleive everythings alright,  
But Your touch woke me,  
Away from this place you should

[Screams]

Remember,  
The forced Smiles,  
Not Like Those,  
Shown By You,

Sometimes,  
Those Words I Heard,  
Make me Loose,  
The Will That I Once Had,

Fake The Kindness,  
From The Lips That Speak,  
You have No Purpose (You should know! )  
Atleast I'm Real,

[End Screaming]

Whoa, Whoa!  
I can barely breath,  
When your staring at my heart,  
Oh, And When you seem to be Happy,  
I know that your Lying,  
Oh, Oh, Oh...

[Scream]

High ubove,  
There's no way out now,  
Your inside my lungs,  
Inhaled like a drug,

Remember,

How We used to be,  
(Please Hold me close)  
And never let me go,  
(Please promise to)  
Always want me,  
(You know that words can't be forgotten)  
FORGOTTEN.

[Scream part 2x and End of song]
