I reach for the door,
But i just wasn't sure,
Should I Enter Your Room Alone?
I was under the drugs,
You were just having fun,
We didn't mean for it to come to this,

And now i'm holding my breath,
And why i just can't forget,
How your skin feels against mine,
And the situations insane,
We've lost control of our brains Tonight,

[chorus]
And you said to me,
Stop This madness,
Your not listening,
Then you said,
Violation is the best stimulation.

I wanna feel what you feel,
I wanna taste your heat in my jaws,
Just like the night i fell apart,

There's an ache inside,
That im trying to hide,
But to you everything is so clean
But with a pull of my hair,
I was too desperate to care,
A Burning sensation controls us,

[chorus]

- musical brigde -

Is it wrong to need something,
That we don't desire?
Can you find your own truth,
Through sex with a liar?

[chorus and end]
