Here I am again  
With tears rolling down my face  
And I'm searching deep within  
Will there ever be a change?

There's so much I have left to live  
And my whole life brought me to this moment  
The answer's waiting in the wind  
If I can believe it...

So I'm calling all angels  
I've been lost so long  
Shine a light for me  
I'm calling all angels  
Help me to be strong  
Now I'm on my knees

Waiting all my life  
For a chance to find  
The answer to set me free  
It lives within me  
I just need to believe  
I'm calling all angels  
I'm calling all angels

Answered all my prayers  
And still I can't see the light  
I'm filled with so much fear  
From shadows deep inside...

And now I can't afford to wait  
Another day feels like an eternity  
I will never lose my faith  
'Cause it's every part of me!

(So I'm calling all angels) Yeah-ah!  
I've been lost so long  
Shine a light for me  
I'm calling all angels

Help me to be strong  
Now I'm on my knees
