Whooo

Your love is like a gentle breeze upon a brand-new day
Your touch and what it does to me -like a flower needs
its rain

We are like one of a kind, true love is hard to find

I can 't go on another day

Just hear me when I say

I ask of you, would you love me, if nothing else went
right?

se il sole c'Ã", io chiedo di te

And I ask of you, would you hold me, forever in your
life?

se ci sei, e se mi vorrai... cosÃ-

And don't let me fall,'cause I can only give my all
come ti vorrei

Here I am

con me

I ask of you

chiedo di te

lo t'appartengo e ora lo so e me lo ha detto il cuor

And nothing else matters now, with all we've been
through

ecco perchÃ" nulla al mondo mai, mi porterÃ via da
teâ€!

But now before I let go, you gotta let me know

I ask of you, would you love me, if nothing else went
right?

se il sole c'Ã", io chiedo di te

And I ask of you, would you hold me, forever in your
lire?

se ci sei, e se mi vorraiâ€! cosÃ-

And don 't let me fall,'cause I can only give my all
come ti vorrei

Here I am

con me

I ask of you

chiedo di te

I ask of you, chiedo di te... per la vita

I never really thought
I never really thought
That you'd be all to me
Chiedo di te
That you'd be all that really matters to me
I'd give everything and all I am to you se mi vuoi anche
tu
Oh baby, baby, I know you feel this way too e poi non
chiedo di piÃ¹

I ask of you, would you love me, if nothing else went
right?
se il sole c'Ã¨, io chiedo di te
And I ask of you, would you hold me, forever in your
life?
se ci sei, e se mi vorrai cosÃ¬
And don't let me fall, 'cause I can only give my all
come ti vorrei
I ask of you
chiedo di te
I ask of you
chiedo di te
